Star Student

Our Star Student this week is Emma Ewing. Emma's birthday is February 14th. Her favorite thing about school is math. Emma's goal for the future is to "become an engineer." When asked, Emma said, "I am proud of myself for being gifted." Something she likes about herself is, "my skills."
Congratulations to Emma!

Star Students are "Students Taking Awesome Responsibility." Students are chosen for this honor based on classroom behavior, attitude, and responsibility.
