Licking Valley Intermediate

March 11 – March 15

What's Happening?

3rd Grade Reading

The 3rd Grade Reading class will begin to wrap up our Iditarod Unit this week. We will finish reading *Balto and the Great Race* and *Togo*. Also, each student will check in to see what place their musher comes in as the Iditarod wraps up.

Students will also celebrate accomplishments with Brag Tags later this week.

Homework

Monday- Read for 20

Tuesday- Read for 20

Wednesday- Read for 20

Thursday- Read for 20

Friday- Brag Tag Assembly

Iditaroad Challenge

As the Iditarod wraps up this week, students can finish filling out their Iditaroad Calendars and turn those in for their special Brag Tag. If students are using the March Book It Calendar, they can turn that in later this month and still earn their Brag Tag.

May your troubles be less,
And your blessing be more.
And nothing but happiness,
Come through your door.

CAMP INVENTION IS Back At LICKING VALLEY

We still have plenty of spots available at Camp Invention this year! Camp Invention's 2024 program, Illuminate, is designed to inspire students to become problem finders and problem solvers. Through hands-on activities and challenges, children build confidence, investigate STEM concepts, use their imaginations and learn that everyone can be creative. Students will participate in sessions called Let's Glow, Prototyping Studio, In the Game, and Operation: Hydrodrop. Visit campinvention.org or call 800.968.4332 to register. I have led Camp Invention for several years, so don't hesitate to contact me if you have any questions! Use the code **STEMFUN25** to save \$25 off before March 27.

If you are interested in scholarship information, please let me know. I'm happy to share a local organization that often sponsors students to attend camps and other activities.

"Whether it's St. Patrick's Day or not, everyone has a little luck o' the Irish in them."
