Licking Valley Intermediate

March 4 – March 8

What's Happening?

3rd Grade Reading

The 3rd Grade Reading class will continue to work on our Iditarod Unit this week. We will continue reading *Balto and the Great Race* and *Togo*. Also, each student will check in and follow their musher along the Iditarod race this week. Students will focus on comprehension and using R.A.P. (Restate, Answer, Prove) to respond to questions from the text.

Homework

Monday- Read for 20

Tuesday- Read for 20

Wednesday- Read for 20

Thursday- Read for 20

Friday- Read for 20

Iditaroad Challenge

As we follow the Iditarod, students are participating in the Iditaroad Challenge. Students were given a packet last week with a reading log included. Students can also use their Book It Reading Calendar instead if they choose. They will be asked to choose a goal such as reading a chapter, a short book, or a certain number of minutes for each checkpoint along the Iditarod Trail. They fill these in on the reading log each day and if students complete the challenge at the end of the Iditarod, they will receive a special Brag Tag to add to their chains. Please don't hesitate to call or email with questions about this challenge.

CAMP INVENTION IS Back At LICKING VALLEY

We still have plenty of spots available at Camp Invention this year! Camp Invention's 2024 program, Illuminate, is designed to inspire students to become problem finders and problem solvers. Through hands-on activities and challenges, children build confidence, investigate STEM concepts, use their imaginations and learn that everyone can be creative. Students will participate in sessions called Let's Glow, Prototyping Studio, In the Game, and Operation: Hydrodrop. Visit campinvention.org or call 800.968.4332 to register. I have led Camp Invention for several years, so don't hesitate to contact me if you have any questions! Use the code **STEMFUN25** to save \$25 off before March 27.

If you are interested in scholarship information, please let me know. I'm happy to share a local organization that often sponsors students to attend camps and other activities.

"The best luck of all
is the luck you make
for yourself."

- Douglas McArthur
