STAR STUDENT

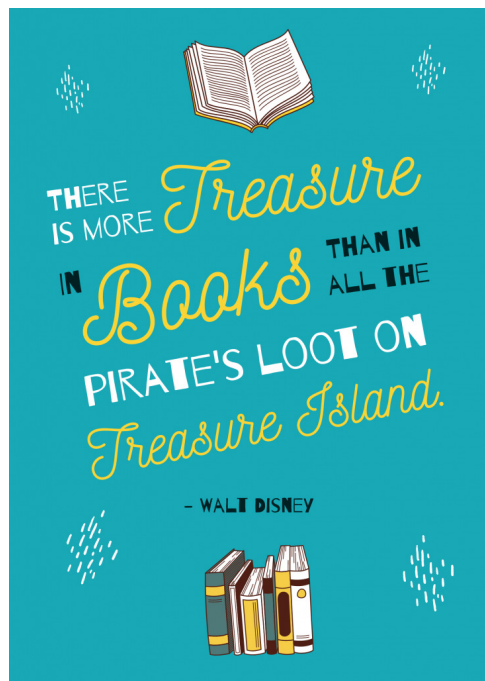

Our Star Student for this week is Eli Ewing.

- When I grow up, I want to be an engineer.
- I am proud of myself because I'm gifted.
- What I like most about school is reading.
- I am a star student because I'm a good kid.
- I am good at math.
- My favorite subject is math.

Congratulations to Eli!

Star Students are "Students Taking Awesome Responsibility." Students are chosen for this honor based on classroom behavior, attitude, and responsibility.

KIDS' TECH UNIVERSITY

A great program called Kids' Tech University is being offered again this year to local students. This program centers around STEAM (Science, Technology, Engineering, Art, and Mathematics) and offers students an opportunity to take classes at local universities to learn more about careers in this growing field. I am attaching information to the weekly Dojo message if you would like to learn more about this program. If you have questions about this program or need additional information, please let me know.
