Licking Valley Intermediate

November 13 – November 17

What's Happening?

4th/5th Grade Math

The 4th grade math class will begin working with division concepts in Chapter 4 this week. Knowing multiplication and division facts quickly will be important, so continue to practice daily!

The 5th grade math class will work on a decimal project this week and begin reviewing fraction concepts as well.

Homework

Monday- No School- Veteran's Day

Tuesday- Practice Math Facts/Work on IXL (4th/5th)

Wednesday- Practice Math Facts/Work on IXL (4th)
Work on Decimal Project (5th)

Thursday- Practice Math Facts/Work on IXL (4th)
Work on Decimal Project (5th)

Friday- Practice Math Facts/Work on IXL (4th)
Share Decimal Project (5th)

Also, practice math facts each night!

4th/5th Grade Language Arts

The 4th and 5th Grade Language Arts classes will write an opinion essay comparing and contrasting the movie and book versions of Wonder this week. We will also begin reading some short stories about Thanksgiving.

STAR STUDENT

Our Star Student for this week is Macie Clouden. Macie's birthday is August 3rd. Her favorite thing about school is recess. She is proud of herself for "being in P.A.C.E." Macie's goal for the future is "to be good at softball." When asked what she likes about herself, Macie said, "that I am in P.A.C.E." Congratulations to Macie!

Star Students are "Students Taking Awesome Responsibility." Students are chosen for this honor based on classroom behavior, attitude, and responsibility.

KIDS' TECH UNIVERSITY

A great program called Kids' Tech University is being offered again this year to local students. This program centers around STEAM (Science, Technology, Engineering, Art, and Mathematics) and offers students an opportunity to take classes at local universities to learn more about careers in this growing field. I am attaching information to the weekly Dojo message if you would like to learn more about this program. If you have questions about this program or need additional information, please let me know.

TEACHER'S CORNER

Reminders

- Trimester 1 ends on November 16th. Students have until Thursday to complete SRC quizzes and reach their reading goals. Keep reading!
- Scholastic Book Orders are due November 17th.

ONCE YOU LEARN TO
READ, YOU WILL BE
FOREVER FREE.
