# STAR STUDENT

Our Star Student for this week is Isaac Spencer.

- When I grow up, I want to be a scientist.
- I am proud of myself because I'm Star Student.
- What I like most about school is recess.
- I am a star student because I was quiet.
- I am good at reading.
- My favorite subject is science.

Congratulations to Isaac!

Star Students are "Students Taking Awesome Responsibility." Students are chosen for this honor based on classroom behavior, attitude, and responsibility.

## KIDS' TECH UNIVERSITY

A great program called Kids' Tech University is being offered again this year to local students. This program centers around STEAM (Science, Technology, Engineering, Art, and Mathematics) and offers students an opportunity to take classes at local universities to learn more about careers in this growing field. I attached information to the weekly Dojo message last week. If you have questions about this program or need additional information, please let me know.
