Licking Valley Intermediate

November 20 - November 24

What's Happening?

4th/5th Grade Math

The 4th grade math class will continue working with division strategies this week and working with remainders. Continue to practice division facts at home each night!

The 5th grade math class will work on reviewing fraction concepts this week before starting to add and subtract fractions after Thanksgiving break.

Homework

Monday- Practice Math Facts/Work on IXL (4th/5th)

Tuesday- Practice Math Facts/Work on IXL (4th/5th)

Wednesday- Practice Math Facts/Work on IXL (4th/5th)

Thursday- No School- Happy Thanksgiving!

Friday- No School- Thanksgiving Break

Also, practice math facts each night!

4th/5th Grade Language Arts

The 4th and 5th Grade Language Arts class will work on analyzing a Thanksgiving Story this week and celebrate our Narrative Writing Unit with a Glow Party on Wednesday.

Thanksgiving break is a great time to catch up on some reading. November Book It! Calendars will be due after break on December 1st.

Homework

Monday- Read for 20

Tuesday- Read for 20

Wednesday- Read for 20; Glow Party

Thursday- No School- Happy Thanksgiving!

Friday- No School- Thanksgiving Break

REMEMBER, Read for 20 minutes each night!

Star Student

Our Star Student for this week is Emersyn Sharp. Emersyn's birthday is June 24th. Her favorite thing about school is "ELA class." She is proud of herself for being in P.A.C.E. Emersyn's goal for the future is to become a vet. When asked, she said, "Something I like about myself is my hair."

Congratulations to Emersyn!

Star Students are "Students Taking Awesome Responsibility." Students are chosen for this honor based on classroom behavior, attitude, and responsibility.

Happy Thanksgiving

Kids' Tech University

A great program called Kids' Tech University is being offered again this year to local students. This program centers around STEAM (Science, Technology, Engineering, Art, and Mathematics) and offers students an opportunity to take classes at local universities to learn more about careers in this growing field. I am passed out flyers to students last week if they were interested. If you have questions about this program or need additional information, please let me know.
