## Star Student

Our Star Student this week is Link Osborn. Link's birthday is August 9<sup>th</sup>. His favorite thing about school is "every subject." His goal for the future is "to be a mechanical or electrical engineer." When asked, Link said, "I am proud of myself for being smart enough to be in a wonderful class." Something he likes about himself is, "I am a role model for younger kids." Congratulations to Link!

Star Students are "Students Taking Awesome Responsibility." Students are chosen for this honor based on classroom behavior, attitude, and responsibility.

## Scholastic Book Orders

Each year I provide Scholastic Book Orders for my students in a wide range of reading levels. I put together monthly packets ranging anywhere from 2<sup>nd</sup> grade- 6<sup>th</sup> grade level. Students are welcome to order books from me, or their homeroom teachers if they prefer. Online ordering is also available with our class code: **J2GPF**. Online ordering allows you to order other books not listed in the monthly book orders. A great resource to find books at your child's Lexile is Scholastic Book Wizard. Students will be goal setting this week and should know their Lexile range. This will help them when choosing books to read at their Lexile.

**Book orders are due Friday, September 29<sup>th</sup>!**
